JAN 5, 1983

DEAR BOB:

THE NEW UTILITY TAPE IS FINALLY READY FOR LIMITED DISTRIBUTION. IT IS BEING SENT TO A SELECT FEW FOR TESTING. PLEASE, IT IS HAVE YOU COMMENTS AS SOON AS CONVENIENT. WE WILL EXPAND THE INSTRUCTIONS ACCORDINGLY AS IT WILL NOT BE DONE FOR SOME TIME.

THIS TAPE CONTAINS TWO SEGMENTS. YOU MAY BOOT THE TAPE AND THE PROGRAM STARTS TO RUN, OR JUST ENTER A 'R' WITHIN 5 SECONDS AND IT WILL RUN. IF IN WILL NOT LOAD THE INSTRUCTIONS. IT IS ALWAYS A GOOD IDEA TO MAKE A "BACKUP" TAPE. BE SURE YOU HAVE LOADED BOTH SEGMENTS AND A FRESH TAPE IS RUNNING WHEN YOU DUMP IT WITH "DU".

TO REREAD THE INSTRUCTIONS RELOAD THE TAPE OR LIST 8000 TO A PRINTER IF YOU HAVE ONE.

MOST COMMANDS THAT DO NOT HAVE SYNTAMATICALLY BE ABORTED OR EXITED WITH A FEW DELETES. IN THE EDIT AND NOTE ROUTINES, MOVE THE CURSOR WITH GO & DEL. OR THE FOUR ARROWS. TO EDIT, SIMPLY WRITE OVER. TO EXIT, USE > OR HALT/BRK.

PLEASE READ THE CAUTIONS. DO NOT EDIT BELOW 8000 OR YOU WILL HAVE TO RELOAD FROM TAPE.

SINCERELY,
